SHENANDOAH RIVER JUNIOR RANGER ACTIVITY BROCHURE

**DON'T FORGET
YOUR TRAIL MAP!**

Hiking Activity

We have 25 miles of hiking trails at Shenandoah River State Park. Pick a trail to go on a hiking adventure!

Which trail did you hike?

How long was the hike?

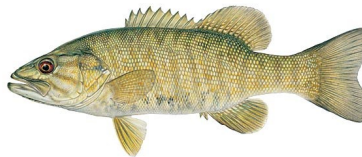

Tree Identification

We have many different tree species in the park. As you hike along our trails try to identify some of the trees. Try to do a leaf rubbing!

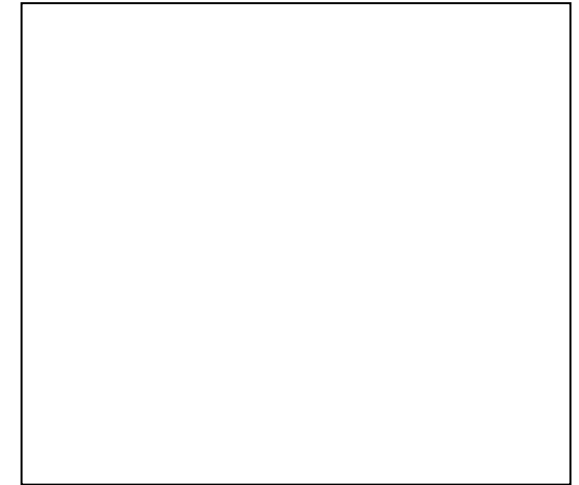

Fish of the Shenandoah River

There are many different fish that live in our river. Try to identify some of the most common fish you might catch in the park.

Animal Tracks

Animals love to leave tracks in our park, keep an eye out for tracks and do your best to draw what you've found!

Color Your Own Tree!
