Dear Hunter,

Thank you for choosing to participate in the Widewater State Park Deer Hunt. Enclosed in this packet you'll find the following information:

- A non-transferrable reservation confirmation email
- Terms and Conditions
- A required items list
- Firearms qualifications card and standards
- Hunt map

Please carefully review all the documents in this packet. Each hunter will need to sign the Terms and Conditions sheet to confirm they have read, understood, and will abide by the stated conditions. Hunters under the age of 18 must also have a parent/guardian's signature.

We encourage you to visit the park between the hours of 8:00 am – 4:00 pm to familiarize yourself with your stand or zone location. Please call or stop by the Visitor Center to inform park staff you will be scouting for the hunt. During your pre-hunt scouting trip, please park in the designated parking areas as marked on the hunt map.

The park will open for hunter check-in at 4:30 am. All hunters must check-in at the maintenance shop (check station) by 5:00 am. Late arrivals will forfeit their reservation to stand-by hunters. A mandatory pre-hunt safety briefing will take place at the check station at 5:05 am. Hunters must checkout at the check station by 6:30 pm. Stand-by slots will be awarded in order of arrival at 5:01 am the morning of each hunt. You are welcome to come any or all days of the hunt, to hunt stand-by. Selected stand-bys will need to pay the \$15 hunting fee.

Widewater State Park participates in the Deer Management Assistance Program (DMAP). This means that park staff will take data on all deer harvested during the hunt. As part of the program, hunters that harvest an antlerless deer will receive a DMAP tag for that deer. Hunters must use their own tags for antlered deer.

If you have any questions prior to the hunt, please contact the Visitor Center at 540-288-1400.

Sincerely,
Paul Anderson
Park Manager

Field Maps Instructions

To fully utilize the benefits of the digital copy of the map, hunters should download the free app named **'Field Maps'**. This app is available for both Android and iOS. This app will allow you to use the hunt map in a similar manner to Google Maps or other mapping software. You will be able to geo-locate yourself on the hunt map, as well as drop point markers. This will allow you to better locate your stand as well as mark any areas of interest you may want to revisit if you are attending a zone hunt. One of the benefits of this app is you do not need phone service. The map is saved onto your phone and all you need to navigate is a GPS signal.

- 1. Visit your app store (Google Play or Apple's App Store) and search for 'Field Maps'.**
- 2. Download and install the app.**
- 3. Press "Skip sign in".**
- 4. In the search bar, search for the park in which you are hunting. For example, typing in "Lake Anna State Park" in the Field Maps search bar, will bring up the Lake Anna State Park map (the park map) AND the Lake Anna State Park Hunt map. You can then download the map for free within Field Maps.**
 - You may also press the link on our hunt website (<https://www.dcr.virginia.gov/state-parks/hunting>), which will directly link you to the download of that park within Field Maps.
- 5. When you're in the park, open the Field Maps app, and choose the appropriate map. Your location will show up as a small blue dot within the map.**

NOTE: You may need to turn on "allow downloads with cellular data" in your phone's settings if you are not connected to wifi when downloading a map.
